## Editorial:

Hello again everyone!

It's October and I've had to turn on the heat at home already. Brrrr. Not fair. Where did the summer go?

The publication of this newsletter sees the club events pretty much winding down for the year. Only a few remaining on the schedule.

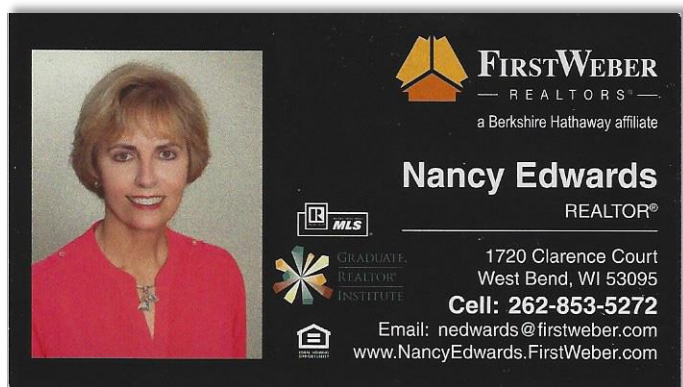

2023 has been quite a busy summer for the club. We now have 91 members. We had hoped to hit 100. Maybe next year. Between the end of May and the publication of this newsletter, the club had 32 events on our schedule....if you count OCC Wayne's night. I hope some of you got out and took part in some of these events. I think those that did will agree that we had a fun OCC summer.

As always, I hope you enjoy this edition of the newsletter. If you have any suggestions regarding the newsletter content, please let me know.

Remember, this is YOUR club. The Ozaukee Corvette Club is what we all make of it. Get involved. Join in.

I hope 2023 was a year to remember!

### Jan Hobler's ALMOST World-Famous – Key Lime Pie

At the club summer picnic, which was graciously hosted by Janet and Ray Medley, Jan served up her Key Lime Pie at unanimous rave reviews. Jan has consented to share her almost world-famous dessert with the club members. Enjoy!!

#### Key Lime Pie

AWESOME!

Key Lime Pie is a classic summer dessert that will transport you to a tropical climate with each delicious bite! Tastier and fresher than anything you can buy at a store, this is a homemade confection guaranteed to delight you; it's tangy, creamy, and oh-so-indulgent. Best of all, it only takes 30 minutes to make! Serve this yummy Key Lime Pie chilled with a bit of lime zest on top for a transformative dessert experience!

#### Ingredients

##### For the crust:

- 1 1/2 cups graham cracker crumbs
- 1/3 cup granulated sugar
- 6 tablespoons butter, melted

##### For the pie filling:

- 28 ounces condensed milk, sweetened
- 1/2 cup light sour cream
- 3/4 cup key lime juice (JUST SHY OF 3/4 C + MAKE UP W/ FRESH LIME JUICE)
- 2 limes or 4 key limes, zested, plus more for topping

##### For the topping:

- 1 cup heavy whipping cream
- 1/2 cup powdered sugar
- 1 teaspoon vanilla extract

#### Directions

1. Preheat the oven to 375 degrees F.
2. In a small bowl, mix together the graham cracker crumbs, granulated sugar, and butter.
3. Press the mixture into a pie pan and bake for 7 minutes.
4. Cool the pie pan for 30 minutes.
5. Preheat the oven to 350 degrees F.
6. In a medium bowl, whisk together the sweetened condensed milk, sour cream, lime juice, and lime zest.
7. Pour the mixture into the crust and bake for 10 minutes.
8. Allow the pie to cool and chill for 3 hours in the fridge.
9. When the pie has completed chilling, beat the heavy cream and powdered sugar together until stiff peaks form, using a mixer to assist.
10. Beat in the vanilla.
11. Spread the whipped cream atop the pie and add more lime zest.
12. Serve!

### Ron Delveaux – Renaissance Man

Every summer brings various Renaissance faires to our area, the closest of which is the Bristol Renaissance Faire. A few years ago, Ron and his daughter Kailee attended one of the faires as “undressed” spectators. The costumed attendees at the faire seemed to be having fun being in character so Kailee and Ron decided to join in and costume up. It has since become a bit of a family affair. Below are just a few photos of Ron, his daughter Kailee, daughter Tammie, Tammie’s husband Jason, and friends Kim and Julie. Huzzah!!!

PARADE Committee: On May 29th we were in the West Bend Memorial Day Parade. The weather was perfect, and we had 18 cars participating. It was a relatively short parade of 20 minutes or so, but the spectators were very enthusiastic. A big Thank You! to everyone who came out to drive in the parade.

Our next parade was the Grafton Holiday Parade on July 1st. The parade kicked off at 4:00pm. The weather was warm, and we had 15 cars participating. It was a relatively short parade of 20 minutes or so, but the spectators were very enthusiastic. A huge Thank You! to all the members who came out to drive in the parade. It was a fun parade.

On July 4th we participated in two parades – Cedarburg and Saukville. The Cedarburg Fourth of July Parade started at 10:00am and we pre-staged at Bruce and Sally's house (THANKS!) before heading to the fairgrounds around 8:30am. Bruce and Sally provided coffee, juice, water, and doughnuts before we drove to the staging area at the fairgrounds. We had 16 cars on a very hot summer day for the longest parade of the year for us.

After the parade most everyone returned to Bruce & Sally's for a quick pit stop before we formed a Corvette caravan to Saukville for their 4th of July Parade. The Saukville 4th of July Parade began at 1:00pm and we lined up shortly after Noon. Once again, a big Thank You! to everyone that participated in the parade.

The final parade of the season was on July 15th. After much reorganization and discussion in Port Washington, a new parade committee was formed. After it was feared Fish Days would not happen this year, the new group succeeded. The Port Washington Fish Days Parade took place again this year. I was unable to attend but I'm told we had 16 cars for the parade. Thanks! to everyone that was able to make it.

All-in-all it was a good parade season and we're looking forward to 2024!

VP REPORT: Club Logo static clings for use in shows and parades came in; all were sold. Mark ordered another 16 of which all but two are sold. Will consider a 2024 order.

PRESIDENT/TOURING: Bruce reviewed driving events and club social events through September. See Website for details.

Next board meeting was August 17th at Flip Side.

#### OLD BUSINESS:
