Editorial:

Greetings all! 2022 is almost behind us and it has been a very eventful year for the OCC. You may notice a slight difference in this newsletter which is because I'm filling in for a single-issue newsletter as the editor to help Ron D while he's extremely busy.

I'm excited for our club and the plans we're making for 2023. There will be lots of activities and plenty of opportunities for you to participate. Let's make this a great year with gangbuster attendance at our events. This is especially true for club turnout at the parades. It would be great to regularly have 20 cars or more at the parades. The crowds definitely seem to enjoy the Corvettes!

And don't forget about Wednesday nights at Wayne's Drive-In!!

Let's make 2023 a year to remember!

VP/ROAD TRIP REPORT

The summer 2022 OCC Road Tour is complete (almost?) with a total of ten trips!

Our shakedown cruise on April 23rd saw fifteen Corvettes hit the road for a great breakfast at Cafe Bella in Sheboygan. Where else can you get steak and eggs for less than \$10? We sat at a big table for 28 and a great waitress got all our orders and checks right the first time!

May 14th dawned warm and sunny for our trip to Ardy and Ed's Drive-In in Oshkosh. Although this was the first time OCC made this a destination, the restaurant is a fixture in Oshkosh and has been around since the 50's. A cruise home through the Kettle Moraine completed the day.

Ten Corvettes made the run to Popeye's on the Lake in Lake Geneva on May 24th. This was the first time we've scheduled a weekday trip (to avoid the heavy traffic from the flatlanders on weekends) and it seemed to work-out well. We may do this again. And as always, a frozen custard stop at LeDuc's in Wales rounded out the day.

On June 18th 11 Corvettes/20 members made the drive to Fitz's on the Lake in Lodi. Great weather and friends made for a great day. Our original plans included crossing the Wisconsin River on the Merrimac ferry

boat, but, alas, the ferry was closed for maintenance. No problem – we just headed west to the Wollersheim Winery, a great place to visit and take pictures before heading home.

On July 30th we participated in a Sunset Cruise at Road America. We had 22 Corvettes on this road tour, a club record. An early dinner at Antoinette's in Plymouth rounded out the day.

On August 13th seven Corvettes made the trip to Latitude Coffee in Germantown for their inaugural Cars and Coffee event. We had the opportunity to inspect the owner's Ferrari. Nice but I'll stick with my Detroit iron. Near as I can tell, an oil change on the Ferrari costs about the same as a new set of tires on the Vette.

August 27th saw the intrepid road warriors heading for the Hobler's cottage on Dutch Hollow Lake near La Valle. Unfortunately, it rained during the afternoon so no nap in the hammock. But again, no problem - the food and company were great we had lots of time to visit and share stories, true or otherwise. Thanks Jan and Mark for a great afternoon!

OCC Road Warriors participated in two scheduled and two impromptu road trips this fall. On September 24th we made our annual Pumpkin Run to view the fall colors and make a few stops at local farmers' markets. Our route was a lap around the Horicon Marsh with a dinner stop at the Iron Ridge Inn. Fifteen OCC'ers participated. Dinner was great and we're looking forward to going back!

After meeting at the Flipside for breakfast on October 8th, several of us headed to The Throttle Stop Museum in Elkhart Lake to tour their collection of vintage sports cars and motorcycles. Lots of Italian and German cars to view but no one was interested in trading. We got home in plenty of time to prep for the evening's festivities - a party at Pat and Ann's home in celebration of Pat and Ann's and Sally and Bruce's respective 50th wedding anniversaries. Thank you again to all who attended.

The weather has been great this fall, so two impromptu cruises materialized. After the tent take-down on October 15th, Gregg led a tour of the Kettle Moraine. And just because the weather was so magnificent (several of us had not placed our babies in storage), we hit the highways for Mud Creek Coffee in Stockbridge. What a great day!

There are no more Corvette cruises planned for the remainder of 2022, but I'll bet there'll be a dinner cruise or two with our tin wheels this winter. Stay tuned!

OCC Club Doings

October Adopt-A-Highway (AAH)

The final AAH event of 2022 was a success with twelve members on the crew. As you can see from the picture below, we combined the AAH cleanup with the annual taking-down-of-the-tent at Wayne's.

The day was cloudy and chilly, but the crew's spirits were high. Thanks to everyone that pitched in to help!

Did you know?

What was the inspiration for the Chevrolet Corvette's name?

The Chevy Corvette was named after a small type of highly maneuverable warship called a **corvette**. The name was suggested by Myron Scott, who also happened to be the creator of the All-American Soap Box Derby!

OCC Club Doings....continued

Clean Up at Wayne's

A week after the AAH clean up, Gregg organized a last-minute crew to clean up the tree line on the north side of Wayne's parking lot. Clean up went well and it was quick. The group then took a nice color cruise to West Bend with a total of four cars. Thanks to all!

A CALL TO ALL OCC MEMBERS....YES, that DOES mean YOU !!!

This message from Ron D is still timely... OG Editor needs **REPORTERS**. This newsletter is **YOUR** newsletter. It needs **YOUR** help. Please consider helping and contact me via the OCC Glass email at ozaukeecorvetteclub@gmail.com. Volunteer to contribute with perhaps your own personal Corvette-related story or club relevant reports for the newsletter. How about volunteering to be a photographer on one or more of the OCC road trips? Or you could participate by writing a story about our club trips.

PEOPLE! WE NEED CONTENT!! IT'S TOUGH TO DREAM THIS STUFF UP!!

Also, our advertisers are small to medium sized independent businesses. Corvette Trivia

Where was the original production plant for the Corvette?

The first 300 Corvettes were produced by hand in Flint, Michigan. After that, mass production began in St. Louis, Missouri, where it remained until the Bowling Green, Kentucky plant opened 1981.

CALL TO ORDER: Pat M @ 6:00pm

TREASURER'S REPORT: Rich shared the current status of the 2022 Balance Sheet showing income and expenses to date for 2022. Some expenses included State Registration, Banner Carriers, PWFD, Cedarburg 4th Parade, and the Website. Report unanimously approved

SECRETARY REPORT/REVIEW AND ACCEPTANCE OF PRIOR MEETING MINUTES: April 2022 minutes were reviewed and approved.

VP REPORT/UPCOMING TRIPS: The summer 2022 OCC Road Tour is off to a great start with increased participation, no doubt helped along by cooperative weather gods. So far, we have completed three road trips with a minimum of ten cars participating in each event!

Our shakedown cruise on April 23rd saw fifteen corvettes hit the road for a great breakfast at Cafe Bella in Sheboygan. Where else can you get steak and eggs for less than \$10? We sat at a big table for 28 and a great waitress got all our orders and checks right the first time!

This was the first time we've scheduled a weekday trip (to avoid the heavy traffic from the flatlanders on weekends) and it seemed to work-out pretty well. We may do this again. And as always, a frozen custard stop at LeDuc's in Wales rounded out the day.

What's the next cruise? It'll be an OCC favorite - lunch on the deck at Fitz's on the Lake near Lodi, WI on June 18th. Naturally we'll take the obligatory ferry boat ride at Merrimac and make a stop at a local winery or other place of interest. This is a fun trip, so be sure to sign-up if you're thinking about going. And just in case you're thinking wow, this is a long trip, just remember we never drive for more than an hour without a pit stop somewhere.

Our next scheduled event is on July 30th, a road trip to Road America for a Sunset Cruise on the track and dinner in Elkhart Lake. We usually have a big attendance for these events, so be certain you sign-up soon. BUT WATCH YOUR EMAIL. I'LL BET WE'LL HAVE AN IMPROMPTU DINNER DRIVE OUT SOMETIME BEFORE THIS EVENT!

VP REPORT/UPCOMING TRIPS:

OCC Members participated in four driving events since the last BOD meeting.

On June 18th 11 Corvettes/20 members made the drive to Fitz's on the Lake in Lodi. Great weather and friends made for a great day. Our original plans included crossing the Wisconsin River on the Merrimac ferry boat but alas the ferry was closed for maintenance. But again, no problem - the food and company were great. We had lots of time to visit and share stories, true or otherwise. Thanks Jan and Mark for a great afternoon!

The next ride on September 28th will be the annual Pumpkin Run. Our route will take us around the Horicon Marsh, stopping at a few places to buy pumpkins, etc. One member who shall go unnamed (Gary) is also looking forward to our stop at Tom Dooley's Orchard to replenish his apple pie supply. We'll finish the day with dinner at the Iron Ridge Inn in Iron Ridge.

Our final road trip of the year on October 8th is something different. We'll start with an 8:00am breakfast the Flipside before heading to the Throttle Stop auto and motorcycle museum. It's really an interesting place. Also, we've been able to secure a reduced admission of \$10 per person, half of the usual cost. We should get home by 1:00pm at the latest.

There are sign-up sheets on the website for each of these three events, so please sign-up or email Bruce if you plan on attending.

ADVERTISING REPORT: No Change. However, some advertisers have queried whether we are interested in having them back to present to our club.

WEBSITE REPORT: Website has been stable since early summer issues.

SUNSHINE COMMITTEE: No Activity.

NEWSLETTER: Ron D needs a break, so the club is looking for someone to handle this newsletter for the balance of 2022. Ron D will resume in 2023 so this is a short-term request.

OLD BUSINESS:

- We have a new supplier of name tags - Be Seen Promotions.

NEW BUSINESS:

- Parade Insurance, we agreed going into 2023 we anticipate six (6) parades. Jim has already notified our insurance agent.
- Upcoming elections. We have candidates for the four officer positions (Bruce Pres, Mark VP, Rich Treasurer, Jim Secretary) and four candidates volunteering for At Large Director positions (Ron G, Dave, Ray M, Gerry E). We discussed the value of increasing to five At Large Director positions with the idea that each carries the management of a portion of club functions (e.g., Parade, Newsletter, Membership, Driving Events...). This would require a simple modification of our bylaws. If we proceed, we will make this a voting option on the ballot in November.
- OCC Patches, Ron G has plenty members can purchase. Please contact Ron for details.
- Christmas Party will be January 21, 2023, at 5:00pm at the Cedarburg Cultural Center (same as 2022). The club will pick up \$500 of the cost with the balance shared amongst attendees.
- Bruce/Sally and Pat/Ann are celebrating 50th wedding anniversaries and are hosting a celebration at the Murray's on October 8th. All members of OCC are invited to Pat and Ann's home in Grafton at 7:00pm. Cocktails, appetizers, and cake are on the agenda. Also, we may have a bonfire (weather permitting) so dress accordingly. No gifts please – your attendance is our gift.
