Ozaukee Corvette Club Parade Etiquette

For the benefit of each member, we ask that you operate your Corvette in a safe manner, and follow these rules of good conduct and common sense.

1. Law Enforcement - Please follow the instructions and directives of all law enforcement officers at our parades.
2. Throwing Items - Please do NOT throw any items from your Corvettes to the spectators, such as candy. We've seen children run into the street in front of our cars to pick up candy from the pavement. Be aware of everything and everyone around you during the parade.
3. Discourage People from Approaching Your Car - While we encourage waving to the crowd, we discourage spectators from approaching our cars for a "high five" or a handshake. If someone does approach your car, stop immediately, and politely ask them to return to the side of the road.
4. Burnouts, Hot Dogging, and Rapid Acceleration - Parade speed is usually 1-3 mph. You are in close proximity to your fellow OCC members and the parade spectators. Doing a burnout or accelerating up on the car ahead of you is prohibited. You will be asked to leave the parade and you may be ticketed for reckless driving.
5. Revving Your Engine - The crowd may ask you to "Rev It Up". You may do this at your own peril, but be aware of law enforcement's wishes and remember the crowd will not be taking up a collection for a blown engine, clutch, transmission, etc.
6. Parading - If you are not experienced or are new to parading, you may want to consider falling in at the end of the parade until you feel confident operating your Corvette in close proximity to others.
7. Guests and Non-Members - Guests are always welcome to ride as passengers.
