OCC President's 2019 Annual Report

We finished 2018 with our donation to Family Sharing of Ozaukee County and began 2019 with our annual holiday party in January at M.J. Stevens. The year was filled with many events which included a Road America dinner show, the Chili Cook-Off, 3 Adopt-A-Highway clean-ups, 6 parades, and Corvette Adventures in the Dells in June. In addition, Bruce and Sally led us on 7 driving events throughout the season. The 25th National Corvette Museum's Corvette Caravan was the highlight of the driving season.

OCC also sponsored Corvette Night every Wednesday at Wayne's Drive-In at Cedarburg 5 Corners. We celebrated our 40th anniversary this year with a pot luck dinner and bon fire at the Giese's.

A new logo was designed and adopted by our members to better reflect the image of today's Corvette. This logo will be put on new club patches, window decals, business cards, letterheads as well as member name tags for all.

We'll finish our 2019 year with donations of \$500. to Ozaukee Family Sharing for Thanksgiving and an additional \$500. to them for Christmas.

Please make plans to attend our annual holiday party in January at M.J. Stevens. Address any questions about this to Bruce and Sally Post. Watch your emails and be sure to sign up for this event since we'll need to know how many to plan for.

This was truly a great year for our club, celebrating great members and their great American sports cars, Chevrolet Corvettes.

Respectfully Submitted,
Ron Giese
President

OZAUKEE CORVETTE CLUB

BOARD/GENERAL MEMBERSHIP MEETING MINUTES

January 29, 2020

MEMBERS ATTENDINGS

Officers and Board Members: Ron G., Jim N., Rich W. Bruce P., Dale D., Gregg G and Pat M.
General Members: Sally P., Mark H., Jan H.

CALL TO ORDER: Ron G called the meeting to order at 6:04pm.

SECRETARY REPORT/REVIEW AND ACCEPTANCE OF PRIOR MEETING MINUTES: We chose to make this an informal board meeting and suspended formal reading of the December minutes.

TREASURER'S REPORT: Treasurer, Rich W. provided a detailed financial report which is included with the official minutes and is available to be reviewed by interested members by contacting Rich W. directly. Rich advised all obligations are current and the club remains in a positive cash position with reserves adequate to meet anticipated obligations.

MEMBERSHIP REPORT: President Ron G. reported that club membership stands at 64.

ADVERTISING REPORT: Most advertisers renewed by January 1st. The three who had not did by January 31st (shortly after this meeting).

ACTIVITIES REPORT: As of this meeting we had the annual Christmas party pending (Feb 1). See photo report elsewhere in this newsletter.

OLD BUSINESS:

We needed to get an extra POB key to Pat M. This was done at the meeting.
Name tags for renewed members will be passed out at the Christmas party.

NEW BUSINESS:

Chili Cookoff is coming up in early March

ADJOURNMENT:

The meeting was informally adjourned at 6:52pm

Classifieds:

Windjammer for a C-5. This attaches to the top of the windshield with a temporary clamp that can be easily be attached or removed. This was donated by one of our members since he now owns a C-7. As it did not sell at the Chili Cookoff, the club is selling it here. The money we receive for this will go to a charity. Windjammer retails for \$215.00, the club is asking \$100.00 or best offer. Please contact Ron Giese 262-628-3721.

Ozaukee Glass Editorial Page

I wanted to mention here that member Jon Gilmore was in the hospital in January with pneumonia; recovered and now at home. Sue Giese however is currently at home with pneumonia. We wish all our members a fast recovery and continued good health.

One topic that was discussed but not acted upon at the October Nomination meeting was whether we should consider adopting two year terms with 4 board members replaced in even numbered years, and 3 replaced in odd numbered years. This would be a by-law change; but we should revisit our bylaws annually anyway to see whether changes make sense. I bring it up here as those of you who were not at the Nomination meeting would not have heard this. Please let any board member know of your thinking on this.

Your trusted OG Editor needs REPORTERS. Please contact Jim at [This Link](#) and talk about volunteering to contribute Corvette and club relevant reports to our newsletter. Specifically, I am looking for volunteers to send Jim a short email on each OCC Drive you participate in so I can write stories about our club drives.

Our advertisers are small to medium sized independent businesses. We have member driven advertisers; where members have suggested the advertiser rather than hope companies would reach out to us. Between us, our membership trades at all of these places. Readers, please take time each month to read through our advertisers and do business with them when it makes sense. If you have a business you trade with you think other members would like to know about; please write Jim with your suggestion.

Advertiser Shout Out!!! Your editor had two occasions to visit Tires Unlimited; each for new tires for one of our vehicles. He reports that pricing was lower than Tire Rack; and quality of service and attention to detail was stellar. Ron reports fantastic service and response time for our name tags (to be done by Christmas party). Recognition Specialists delivered and gave the club a bit of a volume discount for that large order. The club is always grateful for Flip Side Restaurant in Grafton for use of their back room for our monthly meetings. Members: please send a note to Jim here at Ozaukee Glass telling him of your experiences with any of our advertisers.

Finally, we have a non-driving event on the calendar for March 14th called “the Ides of March Night out”. Yes, the actual Ides of March is the 15th; but I figured a Saturday might be easier than a Sunday for everyone. Please sign up if you want to join us. Will be at Twisted Willow in Port Washington @ 5:30pm. I will call in our reservation on March 11th.

Tech Tip!

COOLANT TRIBULATION

We all know that neglected coolant can lead to a clogged cooling system and a loss of cooling system efficiency, but it can also cause other less obvious problems. If the coolant age or condition can't be easily determined, there is a quick check for coolant contamination using a digital volt/ohmmeter (DVOM). Attach the positive DVOM lead to the radiator, then dip the negative lead into the coolant at the filler neck. A voltage reading of 0.2 volts or less is good. A reading of 0.5volt should be considered borderline, and anything over 0.7-volt is unacceptable. If the coolant fails this test, the cooling system should be thoroughly flushed and cleaned. Remove any engine temperature sensors and inspect them for contamination or other damage.

Please **CLICK ON** the photo to be taken to the OCC 2020 Christmas Party photo page located on the club's Google Drive. (If you are on a PC, <ctrl> click. Or, if it doesn't open, simply head to the [OCC website](#) and you can look at them there. [Or Here](#).

Thank you to Sally and Bruce Post for their excellent work putting this together, with a bit of assist from Jim and Rich. We also appreciate MJ Stevens for both the space, and the great food. After dinner the MJ Stevens staff helped move aside tables and arrange chairs in a big circle. The club enjoyed our gift exchange; and the fun of the left-right game and the Christmas story that drove it.

We had 30 members join in the fun this year which was a pretty good turn out for a cold winter evening. Thank you all for coming.
