OCC Road Trip Report – Lap Around Lake Geneva

The OCC Road Warriors ventured out again on Saturday, June 13th. The objective this time was a lap around Lake Geneva. The tour started at Wayne's at 9AM. After picking-up the west-siders near Holy Hill, 15 Corvettes headed west to Ashippun and then followed Hwy 67 south through Oconomowoc, Eagle, Williams Bay and Walworth. After turning east we followed Lake Shore Drive around the south side of the Lake before arriving at Lake Geneva. Turning north on Hwy 120, we stopped for a picnic lunch in East Troy then on to Wholly Cow Custard in Delafield for dessert. The staff at Wholly Cow was very excited to see us – checkout the photos on their website! We returned home about 4PM.

Here's a few pictures:

Thanks and congratulations to all who participated in this road trip. The drivers did an excellent job of keeping together and watching out for each other. I believe a parade of 15 Corvettes is a record for a trip of this length - we certainly had a lot of lookers. It looks like the word is getting out – OCC is going places!

The next road trip is a run out to Baraboo for breakfast on July 11th. Please join us.

Ozaukee Glass Editorial Page

Your trusted OG Editor needs REPORTERS. Please contact Jim at [This Link](#) and talk about volunteering to contribute Corvette and club relevant reports to our newsletter. Specifically, I am looking for volunteers to send Jim a short email on each OCC Drive you participate in so I can write stories about our [club drives](#).

Our advertisers are small to medium sized independent businesses. We have [member driven advertisers](#); where members have suggested the advertiser rather than hope companies would reach out to us. Between us, our membership trades at all of these places. Readers, please take time each month to read through our advertisers and do business with them when it makes sense. If you have a business you trade with you think other members would like to know about; please write [Jim](#) with your suggestion.

Advertiser Shout Out!!! Your editor had two occasions to visit Tires Unlimited; each for new tires for one of our vehicles. He reports that pricing was lower than Tire Rack; and quality of service and attention to detail was stellar. Ron reports fantastic service and response time for our name tags (to be done by Christmas party). Recognition Specialists delivered and gave the club a bit of a volume discount for that large order. The club is always grateful for Flip Side Restaurant in Grafton for use of their back room for our monthly meetings. [Members: please send a note to Jim here at Ozaukee Glass telling him of your experiences with any of our advertisers.](#)

Tech Tip!

The air pressure listed on the sidewall of a tire is not the correct air pressure for your Corvette. A number listed on the sidewall is the maximum air pressure for the tire. Follow Chevrolet's published recommendation. You and your Corvette will be much happier.
