In memory of...

Joann Koblewski has notified the OCC that her husband Bob has passed away in Tucson, AZ, on June 17, 2021. Bob and Joann were loved members of the Ozaukee Corvette Club. Bob was a well-respected and inventive past president of OCC. They were a fun-loving couple who liked nothing better than a good party. Bob was instrumental in recruiting many new members to the club. Upon retirement, this wonderful couple moved to Saddlebrook, AZ, to enjoy the sun, and since there was no Corvette Club there, Bob and Joann started a club that eventually hit 100 members and split into two clubs.

There aren't many members still left in OCC that would remember this couple, but I am sending this information to all members so that everyone is made aware of this sad news. Ann and I used to get together with the "K's" and other former members of the club when they would visit Wisconsin every summer, but, of course, we haven't seen them since the pandemic started. We also visited them when we were in Arizona.

EDITORIAL:

I am delighted to recognize that while life has not “returned to normal” clearly we are making progress towards our pandemic. Bruce has set out seven drives so far and Ron has set the calendar for Adopt-a-Highway. AAH is one way our club gives back. It can be an enjoyable time; especially on those times we are able and decide to meet for breakfast/brunch afterwards. Especially if you’re new in the club, if you can spare a Saturday morning you’ll get to meet others.

Come join us for Wednesday Corvette Night at Wayne’s in Cedarburg See OzaukeeCorvetteClub.com to see photos.

Next issue of Ozaukee Glass will be Mid July.

TECH TIP:

Thanks Ron Giese for these Tech Tips.

CORROSIVE TREPIDATION

Battery terminals have a nasty habit of corroding (even on Corvettes). That should come as no shock. A quick fix is a shot of GE Silicone II or a similar spray-clear product over the terminals. It will minimize corrosion and prevent acid from eating the terminal bolt.

NYLON KNIVES

Plastic or nylon wire ties have countless uses on a Corvette (they've been called the modern equivalent of duct tape). Unfortunately, they're often as sharp as a knife once the excess "tail" has been cut off. To solve the problem (and save your hide), simply touch the cut-off end with a hot soldering iron. The end will be blunt, will never work loose, and, best of all, won't cut you when you least expect it.

ROAD TRIPPIN' WITH OCC:

If you missed the Corvette cruise on Saturday, June 17, you missed a wonderful date night experience. Five Corvettes from the OCC, led by their fearless leader, Bruce Post cruised our way through the beautiful Kettle Moraine with the sun on our backs. Destination Schwarz Supper Club, here we come. Yes, everyone pronounces it Schwartz, but it is actually named Schwarz Supper Club. I got clarification on this back in the 70's.

We arrived plenty early for dinner. Actually, we were early enough to enjoy cocktail hour. It was proven that the ladies are much better than the men at scoring a table in the crowded bar. We had drinks (everything is better with alcohol) and thanks to Bruce and Sally's generosity, we shared onion rings and fried clams while we enjoyed each other's company and patiently awaited our call for the "Corvette Kids" to be seated. The wait was only 35 minutes which is considered somewhat of a victory at this restaurant.

As Schwarz the wait is always worth it. The steaks were delicious, the prices were a good buy, and everyone left well-fed and happy for the friendships we shared.

Since it was Indy race weekend at Elkhart Lake, we took a short drive through the town to ooh and ah at the fancy cars parked on the streets, saved the wave, and cruised our way home.

Pat and Ann Murray

Now, here's the important news. We have some very special events and road trips on the calendar we haven't done before you may be interested in:

Saturday, Jul 17th (rain date is the 18th) - The Big Drive - Lunch at Fitz's on the Lake in Merrimac, cruising west on the north bank, Spring Green and Botham Vineyard and Winery near Barneveld.

The details on each event are on the club calendar on the website. Please use the sign-up sheet (so we can make reservations) and feel free to call/text or email me with any questions.

Any don't forget Wayne's Corvette Night every Wednesday. I hope to see you there.
