## 2020 OZAUKEE CORVETTE CLUB ROAD TRIPS

Greetings Covettee-ers,

Happy spring! Ol' Blue is out of winter storage and at home in the garage – ready to take to the streets on nice days (as long as there's no road salt). Is it me or have we have some earlier than normal nice days? I know, I know – we've lived at these latitudes long enough not to expect snow until after tax day. But I also know of at least three members that have new Corvettes this year, ready for your inspection at Wayne's and I can't help being optimistic.

Just in case you haven't noticed, the website calendar is being populated by a whole lot of club activities this season, not to mention various other non-club activities which are being provided as an FYI. Besides our usual fare of parades and a few car shows, we've added eight driving events this year:

Saturday April 18<sup>th</sup> – Shakedown Cruise to Mud Creek Coffee in Stockbridge  
Saturday, May 2<sup>nd</sup> – Breakfast Cruise to Whispering Orchard Café in Cleveland  
Saturday May 23<sup>rd</sup> – Road Trip to Elkhart Lake for Sunset Cruise and dinner  
Saturday, June 13<sup>th</sup> – Road Trip – One lap around Lake Geneva and lunch  
Saturday, July 11<sup>th</sup> – Road Trip – The Baraboo Run  
Saturday, August 15<sup>th</sup> – Road Trip – Follow the Lake Michigan Shoreline north  
Saturday, September 26<sup>th</sup> – Road Trip – Details to be announced  
Saturday, October 10<sup>th</sup> – Road Trip - Pumpkin Run – cider, fall colors and breakfast

Specifics about the individual events (i.e. time, meeting place, etc.) are noted on the OCC calendar. Please take a look at them or reach out to us with any questions. Also, please use the sign-up sheets or call, text or email if your planning on attending so we can kame reservations and look for you.

Given the all that's happening with this Covid-19, our watchword this year with be flexibility. We may have to make some restaurant and pit stop changes, but we will be driving. A comfy cockpit built for two seems like the perfect place. We hope you're all well and being careful out there.

Bruce & Sally

Windjammer for a C-5. This attaches to the top of the windshield with a temporary clamp that can be easily be attached or removed. This was donated by one of our members since he now owns a C-7. As it did not sell at the Chili Cookoff, the club is selling it here. The money we receive for this will go to a charity. Windjammer retails for \$215.00, the club is asking \$100.00 or best offer. Please contact Ron Giese 262-628-3721.

## *Ozaukee Glass Editorial Page*

One topic that was discussed but not acted upon at the October Nomination meeting was whether we should consider adopting two year terms with 4 board members replaced in even numbered years, and 3 replaced in odd numbered years. This would be a by-law change; but we should revisit our bylaws annually anyway to see whether changes make sense. I bring it up here as those of you who were not at the Nomination meeting would not have heard this. Please let any board member know of your thinking on this.

*Your trusted OG Editor needs REPORTERS. Please contact Jim at [This Link](#) and talk about volunteering to contribute Corvette and club relevant reports to our newsletter. Specifically, I am looking for volunteers to send Jim a short email on each OCC Drive you participate in so I can write stories about our club drives.*

*Our advertisers are small to medium sized independent businesses. We have member driven advertisers; where members have suggested the advertiser rather than hope companies would reach out to us. Between us, our membership trades at all of these places. Readers, please take time each month to read through our advertisers and do business with them when it makes sense. If you have a business you trade with you think other members would like to know about; please write Jim with your suggestion.*

*Advertiser Shout Out!!! Your editor had two occasions to visit Tires Unlimited; each for new tires for one of our vehicles. He reports that pricing was lower than Tire Rack; and quality of service and attention to detail was stellar. Ron reports fantastic service and response time for our name tags (to be done by Christmas party). Recognition Specialists delivered and gave the club a bit of a volume discount for that large order. The club is always grateful for Flip Side Restaurant in Grafton for use of their back room for our monthly meetings. Members: please send a note to Jim here at Ozaukee Glass telling him of your experiences with any of our advertisers.*

Covid-19; You'll see we've laid out a summer of activities. Obviously as of publication there is more uncertainty than certainty. We hope all of us will come through this healthy and before long will be able to enjoy each other's company. Meanwhile, stay in touch by phone, email, and social media. OCC does have a Facebook page; feel free to join in there. Otherwise, make it a point to call someone new each day...

## Tech Tip!

Did you know there is more than one use for Rain-X? It can also be used as a lubricant between door-glass and associated rubber window-glass seals on your Corvette. If you apply Rain-X to both sides of the side windows, you'll never have that not-so-pleasant experience of a seal tucking down and jamming the operation. Better still, Rain-X helps preserve the rubber glass seals.
