ROAD REPORT - SHELTERING IN PLACE, CORVETTE STYLE

Happy spring everyone. True to Wisconsin weather patterns, we actually had snow flurries yesterday (May 8th). Depressing, yes, but not to worry. You may have noticed that opening day at Wayne's has been pushed back to May 20th - it may be in the 80's by then!

Traditionally our early spring cruises have been impacted by weather. Cold, gray and windy are the norm, but we've also seen rain, sleet, snow and all of the above in 2018. That hasn't been the problem this year - we've had two road trips and have generally been blessed with sunny skies and tolerable temperatures, albeit no one has been brave enough to drop the top yet. Member participation has been great - we've had a minimum of 10 Corvettes in each tour. Apparently I'm not the only one suffering through the extended cabin fever season.

Our challenges this year have come from an unexpected direction, namely the current Covid-19 unpleasantness. The question became how could we be careful and responsible, but still enjoy our passion and get out for a while? The driving is no problem (actually the traffic has been great), but where do we go to get food and take a break? The answer has been carryout from some good -restaurants, self-provided folding chairs and convenient parks where we can socialize from six feet away. We were able to order our food over the phone prior to our arrival, assuring everyone would be fed in short order. Restaurant owners have told us how much they appreciate our business the small town residents appear to be excited about a Corvette parade passing through.

We've already been on two cruises this year. On April 18th we drove to an old favorite, Mud Creek Café on Stockbridge. We picked-up our food at the restaurant drive-up window and motored a few miles over to a county park on the shore of Lake Winnebago. On May 2nd we drove to Mullin's Drive-In in Fox Lake (I highly recommend the double cheeseburger) and set-up our chairs in a big circle in the adjacent park. Again, the six foot rule was the order of the day. A required stop at Kelly's in Eden for ice cream finished-off the day.

Our next scheduled road trip is Saturday May 23rd. Our primary destination is Road America in Elkhart Lake to participate in a rare, Saturday evening Sunset Cruise. For the unaware, a Sunset Cruise is a leisurely, low-speed 3 lap cruise around the historic 4 mile race track. A telephone conversation with Road America yesterday confirmed the event is still a go. Please sign-up on the website or let me know via email. There is a \$20 fee and you be required to sign a liability waiver, but you don't need to participate in the track tour if you want to watch and take pictures. Will we have dinner somewhere? You bet!

Windjammer for a C-5. This attaches to the top of the windshield with a temporary clamp that can be easily be attached or removed. This was donated by one of our members since he now owns a C-7. As it did not sell at the Chili Cookoff, the club is selling it here. The money we receive for this will go to a charity. Windjammer retails for \$215.00, the club is asking \$100.00 or best offer. Ozaukee Glass Editorial Page

Your trusted OG Editor needs REPORTERS. Please contact Jim at [This Link](#) and talk about volunteering to contribute Corvette and club relevant reports to our newsletter. Specifically, I am looking for volunteers to send Jim a short email on each OCC Drive you participate in so I can write stories about our [club drives](#).

Our advertisers are small to medium sized independent businesses. We have member driven advertisers; where members have suggested the advertiser rather than hope companies would reach out to us. Between us, our membership trades at all of these places. Readers, please take time each month to read through our advertisers and do business with them when it makes sense. If you have a business you trade with you think other members would like to know about; please write Jim with your suggestion.

Advertiser Shout Out!!! Your editor had two occasions to visit Tires Unlimited; each for new tires for one of our vehicles. He reports that pricing was lower than Tire Rack; and quality of service and attention to detail was stellar. Ron reports fantastic service and response time for our name tags (to be done by Christmas party). Recognition Specialists delivered and gave the club a bit of a volume discount for that large order. The club is always grateful for Flip Side Restaurant in Grafton for use of their back room for our monthly meetings. Members: please send a note to Jim here at Ozaukee Glass telling him of your experiences with any of our advertisers.
