EDITORIAL:

I am delighted to recognize that while life has not “returned to normal” clearly we are making progress towards our pandemic. Bruce has set out seven drives so far and Ron has set the calendar for Adopt-a-Highway. AAH is one way our club gives back. It can be an enjoyable time; especially on those times we are able and decide to meet for breakfast/brunch afterwards. Especially if you’re new in the club, if you can spare a Saturday morning you’ll get to meet others.

Welcome Philleo Agency as one of our club advertisers! Philleo is the agency we’ve used for a few years now for our club policy with West Bend Insurance. But I have a couple of decades of experience with them and find them a great agency to work with.

On May 12th Wednesday Corvette Night at Wayne’s in Cedarburg started and was very well attended. On May 13th we had our second in person club meeting in many many months. It was delightful to see each other in person; and not have the foibles of technology try to trip us up. See OzaukeeCorvetteClub.com to see photos.

Next issue of Ozaukee Glass will be Mid June.

TECH TIP:

Thanks Nate Perronne at Tires Unlimited for this Tech Tip.

Low Tire Pressure Light

Tire Pressure Monitoring System (TPMS) is a warning system that warns you of an unsafe change in pressure in one or more of the tires. The warning is provided by pressure sensing transmitters mounted inside each tire.

Steep temperature drops can trigger the low tire pressure warning light. When the low tire pressure light comes on, your car is simply telling you that more air is needed in your tire(s). Some TPMS systems can alert you when the tire pressures are too high as well.

If the tire pressure is low, add air until it reaches the proper pressure as soon as possible. Follow the inflation pressure recommendations listed in your vehicle owner's manual or on the tire information label located in the glove box or on the driver's door jamb. If the light continues to stay on, have the tire(s) check for possible tire damage or a faulty TPMS sensor.

This is one of the many services we offer here at Tires Unlimited. If your TPMS light is on call Jamie or Alex, or stop in and we will check your tire pressure for FREE during normal business hours.

MEMBERSHIP REPORT: We have 68 members although we might have two interested after Wayne's opening Corvette night.

ROAD TRIPS: 22 Members in 11 Corvettes participated in the Spring Shakedown Cruise to Gus' Drive-In in East Troy. Our route south took us through the Kettle Moraine with an intermediate stop at Blue Collar Coffee (formerly Milwaukee Street Traders) in Delafield. Both venues received a thumbs up rating from the group. Upcoming driving events include a breakfast drive-out to Whispering Orchards Cafe in Cleveland, WI on May 15 or 16, a Thursday dinner drive-out to the 5 O'Clock Club in Pewaukee on May 27th, participation in the West Bend Memorial Day Parade on May 31st. and participation in the Fondy Vette's 50th Annual Trip Around Lake Winnebago on June 6th. Road trips are becoming a very popular part of the club activities, especially for the new members which are frequently new Corvette owners - they bought 'em to drive 'em.

SUNSHINE COMMITTEE: Sally sent a card to Jim Russell.

OLD BUSINESS:

- Adopt-a-Highway had seven members participate and 15 bags of litter were collected.
- Four members assisted in erecting the tent at Wayne's
- Wayne's first Corvette night was May 12th. Considering the chill in the air; a great turnout.

NEW BUSINESS:

1. OCC will rent a storage space at Extra Space in West Bend to store parade and AAH materials. Pat will go through accumulated photos (multiple totes) and pull a selection to include on our website. The rest will be discarded.

2. Trip Around the Lake (FondeVettes). This is the 50th year of this event. We want to make sure members are aware as this could be a nice year to participate.
3. We have entered OCC in the West Bend parade meeting up at the usual spot on Main Street at 8:00am. Ron suggested we meet for lunch afterwards.
4. We will add coverage for 5 parades to our club policy (WB Mem Day, for Fourth of July; Mequon/Thiensville, Grafton, Cedarburg and Saukville).
5. We decided that in addition to an email list of members as part of Roster materials, Jim will add a Text List to the Membership Database.

ROAD TRIPPIN' WITH OCC:

We just completed our first Road Trip of the year (dare I call it a shakedown cruise) on April 24th. We had 10 cars go to Gus' Drive-In in East Troy. On the way down we made a pit stop at Blue Collar Coffee in Delafield - a really interesting place that deserves another stop next time we're in the area. The weather was better than forecast - no rain and we even saw some sun on the way home. And no breakdowns or other unseemly events. It was a little too cool for Pat and Ann to put the top down on their new C8, but he did a demonstration and made a dent in the 500 miles he's looking to put on his C8. Here are a few pictures:

Now, here's the important news. We some very special events and road trips on the calendar we haven't done before you may be interest in:

Thursday, May 27th - Dinner drive-out to the 5 O'Clock Club in Pewaukee - great ribs, fish fry and chicken - this is a rain or shine event so there's no rain date and you don't need to bring the Corvette if the weather isn't cooperating. You can meet us at the restaurant for a 6PM dinner or join the caravan from Wayne's at 4:30PM. Please use the sign-up sheet. **You must sign-up by May 20th.**

Saturday, June 19th (rain date is the 20th) - Dinner at Schwarz's Supper Club in St. Anna and cruising the Kettle Moraine.

Saturday, Jul 17th (rain date is the 18th) - The Big Drive - Lunch at Fitz's on the Lake in Merrimac, cruising west on the north bank, Spring Green and Botham Vinyard and Winery near Barneveld.

The details on each event are on the club calendar on the website. Please use the sign-up sheet (so we can make reservations) and feel free to call/text or email me with any questions.

Any don't forget Wayne's Corvette Night every Wednesday. I hope to see you there.

Windjammer for a C-5. This attaches to the top of the windshield with a temporary clamp that can be easily be attached or removed. This was donated by one of our members since he now owns a C-7. As it did not sell at the Chili Cookoff, the club is selling it here. The money we receive for this will go to a charity. Windjammer retails for \$215.00, the club is asking \$100.00 or best offer. Please contact Ron Giese 262-628-3721.
