## OCC President's Message

Greetings:

Glad to see we made it to December. If been a tough year for all of us, 2021 hopefully bring better times. Look at it this way; it's only a few more months we can get our Corvette out of storage.

I would like to take this opportunity, along with my wife Ann and the entire Board, to wish all of you a very Merry Christmas and a great New Year

How does the GM ordering process work?

I found it interesting how the GM ordering process moves, and I thought I fill you in using the progress of our 2021 C8. Below is GM's ordering sequence;
