It's been a great 2021, lots of parades and many interesting road trips. 2022 should only prove to be better. Also I would like to thank Greg Goetz for being a member of the OCC board for the past several years. Greg decided not to run and Mark Hobler graciously stepped in to take his place. Finally thanks to all members of the OOC who made this club what is, one of the best Corvette clubs in the state of Wisconsin!

Sincerely

Patrick Murray

OCC President
